We help companies to define desirable scenarios and how to get there.

We define true necessities from verbalized desires and draw an action plan to fulfill those necessities.

We implement the plan and evaluate their achievements according to KPI's previously defined.

IMC Toys

Subsidiaries Managing Director

septiembre de 2014 - diciembre de 2019 (5 años 4 meses)

Terrassa, Spain

The continuous growth of the company has led to separate the management of international activities in two, Export and Subsidiaries.

I am in charge of the subsidiaries in UK-Ireland, France, Germany-Austria, Portugal and Italy.

The challenge ahead is to position IMC in the subsidiaries at the same level as we are positioned in Spain, with special attention to SALES, PROFIT and CASH!!

Dopec

Managing Director - Partner

2004 - 2011 (7 años)

Barcelona

In January 2004 I created my own company called DIP (Project Management) which later joined DOPEC.

DOPEC, engineering and architecture. Partner – Director.

In 2004 DOPEC was a company with a volume of 2.8 M€ and 45 employees. It was a medium size company, working in the Catalan market only.

TASKS: Strategic planning. Business management, that is: define, identify and incorporate the necessary resources (human, economic and organizational) to make the business run. I accomplished two main challenges; growth and international expansion.

ACHIEVEMENTS: In 2010, when DOPEC's size was at its maximum, there were 120 employees and the volume was 10M€, having consolidated our presence in Morocco and starting an expansion in South America.
